

# The Brand

---

Cartoon network, launched in 1992 has become legend to two generations so far. With it's vast array of characters, amazing writing and fun yet professional demeanor has earned it praise from millions. Allowing it into 80% of american homes in 2016. Cartoon network has only rebranded itself 3 times since it's creation. Each time when some of it's flagship cartoons ended and new ones were slated to take their place. Yet cartoon network has always stayed true to it's roots and delivered fun and entertaining viewing for fans of any and all age groups.
